FICCI Alliance for Re-Imagining School Education (ARISE) is a collegium of stakeholders who represent different facets of School Education. Members include owners/promoters from eminent, high quality and reputed independent schools from across the country, foundations, civil society representatives, think tanks and technical experts. As a collegium we represent over 1350 leading schools of the country comprising 14,87,000 students and 85,000 teachers across 23 states. Our motto is 'Student First.'

The primary focus of the alliance is defining norms for standards and transparency, advocating 21st century readiness, policy advocacy and aligning with state and facilitating Capacity Building

## Transparency Standards & Self Governance

We recognize the magnitude of the responsibility inherent in the education space, therefore, we strive to maintain and exemplify the highest possible degree of ethical conduct in spirit as well as in practice.

## Policy Advocacy & Outreach

Bringing together stakeholders and striving for collective action. Disseminating the voice of the promoters across regulators and policy makers.

## 21<sup>st</sup> Century Readiness

Creating pathways for new paradigms and models of education that focus on creating independent, free thinking, lifelong learners possessing 21st century skills to support a vibrant democracy.

## Capacity Building

Becoming a catalyst in Government and private efforts for raising the quality of learning outcomes across schools and ensuring that no child is left behind.

## About FICCI

Established 90 years ago, Federation of Indian Chambers of Commerce and Industry (FICCI) is the largest and oldest apex business organization in India. A non-government, not-for-profit organization, FICCI is the voice of India's business and industry. From influencing policy to encouraging debate, engaging with policy makers and civil society, FICCI articulates the views and concerns of industry.
